RIBER receives a major repeat order for accessories in Asia

Bezons, January 10, 2018 – 6:00 pm - RIBER, a global market leader for semiconductor industry equipment, announces a major order for more than two million euros from a customer in Asia for the supply of accessories in the screen industry.

This accessories order, deliverable in 2018, completes the evaporators order received in November 2017 for this industry.

About RIBER:

Riber designs and produces molecular beam epitaxy (MBE) systems as well as evaporation sources and cells for the semiconductor industry. This high-tech equipment is essential for the manufacturing of compound semiconductor materials and new materials that are used in numerous consumer applications, from new information technologies to OLED flat screens and next-generation solar cells.

Riber is listed on Euronext Paris (Compartment "C") and is part of the CAC Small, CAC Technology and CAC T. HARD. & EQ indices. Riber is eligible for SME share-based savings schemes.
